- Once the transfer or payment is made, please send a copy of the receipt or bank transfer notification, **clearly indicating the sender**, to the following email address: karla@achbi.cl.
- The final amount paid to ACHBI must consider any taxes or commissions from banks.
- ACHBI will provide an Invoice or a receipt showing the payment made in accordance with Chilean law. **The payment receipt will be nominated in Chilean Pesos** and the description field shown the corresponding dollar amount. Foreign schools are requested to submit the following details for invoicing purposes: official name of the institution, address, school registration number (RUC, RUT, other) and request any other documentation they may need for their school or country for accounting purposes.

Enrollement Process

- Following enrollment, any changes in workshops should be discussed and coordinated in advance with Karla Frauenberg.
- In the event that a program or course is not delivered due to reasons attributable to ACHBI and/or IB, a full and immediate refund will be processed for amounts paid or transferred to ACHBI's account.
- If any registrants enrolled in a workshop decide not to participate for personal reasons or circumstances, not imputed to the institution, no funds paid will be returned except in extraordinary cases, **to be determined on their merits by ACHBI**. Not participating in the workshop is not considered of sufficient merit in and of itself for a refund.
- Unless a minimum of 10 participants enroll for any given workshop, that workshop may be canceled. Timely notification in such cases will be provided along with the corresponding full refund, if applicable.
